AUTHORIZATION FORM

Lawrence J. Finkel, M.D., P.C. will file with your insurance if **we** "*participate*" with your insurance plan**. Any co-payment, co-insurance, deductible, etc. are to be paid in full at the time of each visit before you are seen. We do not bill for co-payments**. If our office does not participate with your insurance, it will be your responsibility to file your insurance claims directly with your company. You will be responsible for full payment at the time of service. *Returned checks and balances older than 60 days will be subject to interest charges of one and one half percent per month (18% per year).* Returned checks are also subject to a $50.00 administrative fee. Any accounts turned over to our collection agency and/or attorney will be subject to a 25% charge to cover the collector's fees. We will be happy to discuss your proposed treatment and answer questions relating to your insurance.

2. I authorize payment of medical benefits to Lawrence J. Finkel, M.D., P. C. and understand the above policies and agree to accept financial responsibility for services not covered by my insurance. I further agree to accept financial charges and/or collection fees assessed to my account for the untimely payment of overdue balances.

3. We require a 24 hour cancellation notice for all appointments. **There will be a $75.00 charge for appointments not cancelled 24 hours before the scheduled visit AND A $100 No Show Charge for surgeries missed**. Our voice mail is available 24 hours a day, 7 days a week to take messages**. Remember, confirmation calls are a courtesy. Please do not rely on them to remember your appointment.**

4. ***Any and all*** pathology obtained will be sent to a laboratory; however, any additional costs or uncovered services from the pathologist and/or lab will be billed to you directly.

5. **IF your insurance requires you to have a written referral from your primary care physician, this is your responsibility to know this and obtain the appropriate referral for each visit.**

6. I understand that if, during the course of care, a health provider is directly exposed to my blood or body fluids in a manner which may transmit Hepatitis B or C or AIDS, for the protection and well-being of the health care provider, it is important that a test be made on my blood without charge to determine whether I am carrying the virus and that under Virginia Law (Section 32.1 – 36.1 et. seq.) I am deemed to have consented to said test(s) and to the release of the test results to the exposed health care provider. I also understand that health providers are deemed to consent to tests and the release of the results to me should I be similarly exposed.
